## **Business Opportunity**

I have opened a new Driving School in Sydney and I am looking for Instructors!

Who are looking for a business opportunity to grow their Business and to take share in profits and increase their income and make more than their hourly rate?

My company is looking for six key players in the Sydney Market place, were you will be supported by a great website, and excellent booking system and App with great lead generations, low commissions and an environment where you can grow your business and receive pro-rata benefits from the company.

I would like to cover most of Sydney so Instructors are needed in N, E, and S & W, of Sydney as well as the Northern Beaches and South East Sydney!

Low commissions and extra benefits are offered to successful candidates.
